Become a Partner for Hope

Partners for Hope – Church Division News

A few words from Ed Thayer – Campaign Director

I want to personally THANK the Board, the staff and volunteers of the Norcross Cooperative Ministry for helping to organize our Partners for Hope Campaign and provide the initial pledges of financial support for this important five year initiative. We are very proud to announce we've raised \$231,335 from some 35 pledges.

I am also excited to announce we have 14 members on our Church Division Committee being Co-Chaired by the Rev. Eddie Bradford (NFUMC) and Dr. David Shaw (PCBC). Again, a big thank you to those who have offered to serve.

The Church Division Committee will be calling on member churches and engage new local churches to join us to become Partners for Hope.

"We've got people without the basic needs of life camped all around us. When we go to them, we're serving Jesus. When we care for them, we're really caring for Jesus. Why not partner with someone who's doing a great job already . . . has a track record that's excellent? I say, let's partner. Let's go!"

To be successful, the Norcross Cooperative Ministry's (NCM's) Board of Directors needs the input, energy, ideas and financial support from everyone within our community.

The Church Division Committee's goal is to engage as many as forty area churches to support NCM by the end of year 2017.

In order to reach this goal we will be calling on nearly sixty local churches seeking continuing support from our members and reaching out to others to consider becoming a Partner for Hope. The Church Division goal of \$1.5M is approximately 45% of our total goal of \$3.5M over the next five year period beginning in 2018 through 2022.
