Partners for Hope – Church Division News

A few words from Ed Thayer – Campaign Director

We had our second Church Division committee meeting on Wednesday, 5/3/17. We want to THANK all of the Church Division committee members for their continued commitment and support! Now that our list of churches has been divided among the members, we have our plans set and calls are being made to some 50+ churches. The committee will reconvene on Wednesday, 5/17/17, at Peachtree Corners Baptist Church (PCBC) to share status updates and discuss the potential opportunities and challenges they may encounter during the process.

PCBC is located at 4480 Peachtree Corners Circle, 30092.

Let's keep the momentum going to reach our goals for the Partners for Hope initiative!

Did you know . . .

The first car manufactured south of the Mason-Dixon Line was built in Norcross, GA by Edward Buchanan in 1908. It was called the "NorX," and some people say that a reason the company failed is because no one knew how to pronounce it!
