#### Partners for Hope – Campaign Update

#### A few words from Ed Thayer – Campaign Director

The Norcross Cooperative Ministry held a very productive job fair today for hundreds of people who gratefully attended. This was in collaboration with Norcross First United Methodist Church, Georgia Department of Labor Gwinnett and NCM. There were more than 60 employers and employment related service providers. NCM sponsored job fairs are critically important to helping those in need and provide a benefit to our entire community.

Our second Corporate Division meeting at the Co-op will be on Tuesday 7/25/17. This will be an EXCELLENT opportunity for all to see first hand exactly how the Co-op provides invaluable support to those in need making our community a much healthier and happier place to live, work and thrive. THANK YOU for your support! We look forward to seeing you there!
