Partners for Hope – Campaign Update

A few words from Ed Thayer – Campaign Director

On Tuesday 7/25/17, our newly formed Corporate Division committee held their second meeting – at the Co-Op! When the business side of the meeting was finished, Shirley Cabe (Executive Director) provided a brief tour for the newcomers and explained how the operation comes together to provide help for so many families in need. THANK you for getting up early for a 7:30 am meeting.

The Corporate Division identified over 50 local companies that we will be reaching out to for support in the next few months. We are EXCITED about our prospects and the opportunity to meet and tell our story to those who may not be aware of everything this great organization accomplishes. We also truly appreciate all of the work our volunteers are putting into this effort!

Last week the campaign broke through the half million dollar support level. This week, we exceeded the \$650,000 level. There are still major commitments pending and good things are happening. Stay Tuned!
